Ms. Kenny advised me of the following: Ms. Kenny and her soon to be ex-husband, identified to be suspect, Bill Kenny, are currently separated. She advised they are currently getting a divorce but it has not been finalized. Sgt M.L. Weinel

On this date Sgt Weinel was contacted by the HCSO Internal Affairs unit. It was requested that this case be supplemented as to why no investigation was started.

After reviewing the case and the lack of injuries, as noted by the responding officer, the complainant and suspect are referred to the local justice of the peace for assault by contact. ADA M. Wilhelm was contacted and she agreed that the act that was listed in this report is considered offensive; however, the threshold for pain was not met and it is a Class C assault.
