***I Bill Kenny believe, based upon data currently available and not taking into consideration the data that will surface from a simple investigation that a police cover-up occurred and a criminal is going unpunished. The investigation will require authority, but not much clock time. I believe that Mr. Joe Felice knowing, willfully, and intentionally dialed 9-1-1 and lied to deceived law enforcement officials and falsely reported that Bill Kenny made a TERRORIST THREAT to kill Mr. Joe Felice. This alleged TERRORIST THREAT occurred during a call that Mr. Felice placed to Bill Kenny on Feb. 14 around 7pm.***

Mr. Joe Felice, called Bill Kenny, at his residence around 7pm on Feb. 14<sup>th</sup>. Bill Kenny answered the phone at his home at 19406 Gooselake Lane. After Bill Kenny told Joe Felice that his wife and step daughter could not come to the phone Joe Felice dialed 9-1-1. He reported that Bill Kenny had THREATENED TO KILL HIM. Joe Felice sent the police to 2111 Blindlake Drive. Joe Felice went to 2111 Blindlake Drive to meet the police, have Bill Kenny arrested, and sent to jail. However Bill Kenny was not there, Bill Kenny was at his home.

3 patrol cars were dispatched based upon Joe Felice TERRORIST THREAT allegation. Deputy Luce and 2 other unidentified deputies arrived at 2111 Blindlake around 7pm.

Lisa Kenny, Margaret Felice, and James Kenny answered the door when the deputy rang the bell. To their surprise there were 2 deputies standing on the porch. No one had any idea why the police were at the house. At that time, Mr. Joe Felice came up to the porch and said 'I CALLED THEM', 'THAT FUCKER THREATENED TO KILL ME'.

William E. Kenny my son was returning home from working at HEB around 7:10pm. He saw 3 police cars and there were 2 deputies conferring with Margaret and Joe Felice on the porch. His mother Lisa Kenny was not on the porch. Joe Felice again repeated that Bill Kenny THREATENED TO KILL HIM.

The Deputies realized that Joe Felice was not credible. Deputy Luce instead of enforcing the law, reporting the facts, and holding Joe Felice accountable for his actions, decided to change the call from a TERRORIST THREAT to a domestic disturbance in order to sweep this under the rug.

2 days later Bill Kenny found out this incident occurred when his children told him about it. Bill Kenny was very upset that he was never notified by the police of the TERRORIST THREAT or that he was the SUBJECT OF A POLICE REPORT. This cannot be proper police protocol, this is wrong!

Bill Kenny started gathering facts about what had taken place behind his back. Based upon the data available Bill Kenny came to the conclusion, that any unbiased 3<sup>rd</sup> party would, and that is a cover-up had occurred. And Deputy Luce attempted to cover-up this incident was sweep under the rug.

Bill Kenny is hitting brick walls trying to unravel this cover-up. Bill Kenny has spoken to Deputy Luce, Supervisor Hayes, and Inspector Thomas without satisfaction. Even though overwhelming evidence exists that a police cover-up occurred Bill Kenny does not have the authority to expose this injustice.

Bill Kenny requests a full investigation into this cover-up and hopes OIG/Internal Affairs will not join in this conspiracy and this pursuit of justice ends here. Bill Kenny will take a polygraph and cooperate fully in this investigation, and prays there will be no retaliation for bringing this to your attention.

Email dated 3/7/2012 from Kenny, Lisa Claire (Complainant) to Bill Kenny (Subject) states that SHE DID NOT FILE A POLICE REPORT.
