RE: HC12-21366

Dear Judge Hannah Chow:

Asst. DA Wilhelm, Asst. DA Schultz, and Division Chief Parsons decisions prove that the fix was in from the get go. The facts were ignored in order to satisfy a pre-agreement with HCSO and the two individuals who committed these crimes. The unsupportable decisions will not stand up under scrutiny using unbiased eyes.

You've sat on the bench; you know how guilty and innocent people act. As I have stated many times, I will sit for a polygraph. Do you think anyone else involved in this case will sit with me?

Ms. Lycos appointed you; I pray her 'do the right thing' is policy and not a slogan. I'm doing the right thing I'm going thru proper channels, which brings me to you. Now it's your turn to make a decision. Please let me know either way.

Thank you for your time,

Wm. F. Kenny
