Dear Ms. Tise,

In addition to the data Mr. Durfee has sent you to review I've attached additional information related to this case.

There are 3 separate groups in the attachments;

0-HCAOVinceRyanQuestions - is the main driver for the attachments that begin with numbers. (attachment 4 & 7 removed - email size limitation)

HCSO - 2 items related to Harris County Sheriff's Office.

TXAG - related to Texas Attorney General/Open Records replenishing their file after they emptied it.

Its been over 3 years since this nightmare began, I'll be happy to answer your questions.

Thank you for your time,

Bill Kenny
